DP Sales Management Team Welcome's Consignors to the upcoming 2017 Generation of Value Simmental Sale.

We are excited about being a part of the 2017 Generations of Value Simmental Sale (GSA). The GSA has met and finalized a few of the sale details. The August 26, 2017 sale will be held at the Partisover Ranch, Colbert, GA. We encourage breeders, and junior members large or small to get involved in your association sale. We have got several breeders on the list to consign this year, so we encourage your operation to be a part of this sale. Again, the Georgia Simmental Association will be working hard to add some other activities the day of the Sale, as educational and fun events for all. Watch the Georgia Simmental web-site for more details. Don't worry Donna Priest will keep everyone informed.

As Simmental breeders and consignors, we encourage you to raise the bar and consign your best genetics. Sale cattle will consist of donor females; young bred cows, bred heifers, pairs, open heifers and a few select bulls. When you are looking through the cattle that you might offer, please keep in mind that we are always looking for more bred, cow/calf pairs, pregnancies and fall opens. Cattle are not required to be halter broke; however, it is suggested on your fancy open heifers. This year's Sale is open to purebreds, full bloods and Sim-Angus. Also, consign any special lots, frozen embryos and pregnancies. This sale is open to all Georgia breeders, plus breeders from other States.
