Sunshine and mild temperatures allowed buyers to view females of all ages in the offering of Altenburg Super Baldy's 1st Ever Female Sale. Both online participants and bidders in the seats found SimGenetic for building cowherds from Altenburg's 40+ year-old program.

One pick of the spring bull calf crop also was offered to preview the Altenburg Super Baldy Ranch's 26th annual bull sale on March 17, 2018. ASR Strong Arm E7209, by CCR Cowboy Cut, sold for \$9500 to KenCo Cattle Co. of Petersburg, Tenn.

High selling females were:

- ASR Ms Desi U8154 (ASA# 2484958) – 9-year-old Simmental donor cow with heifer calf at side sold for \$5900 to Jeremy Van Boening, Alma, NE.
- ASR Ms Jordan W916 (ASA# 2496865) – 7-year-old Simmental donor cow with bull calf at side sold for \$5000 to Hilltop Simmentals, Jaron Van Beek, Hudson, SD.
