DP Sales Management Team Welcomes Consignors to the Upcoming 2019 Spring Sale Season!

2019 Kentucky Beef Expo Sale will be Saturday, March 2, 2019, and we are excited about the upcoming sale event. These show/sales have an excellent track record for offering top quality livestock from Kentucky and surrounding states. As Simmentals breeders and consignors we encourage you to raise the bar and continue to bring your best genetics. This year we challenge all breeders to consign their best show prospects for the upcoming 2019 Kentucky Proud Shows, Kentucky State Fair, Eastern Regional's, and the National Junior Heifer Show. **Also, please make us aware of your intent to consign. Remember, the 2019 AJSA National Jr. Show "Racing to the Bluegrass" and the Simmental Breeder's Sweepstakes is July 22 thru July 28, 2019. Junior members could purchase their prospects of the Kentucky Beef Expo.**

With this in mind we need to start looking ahead to make this event bigger and better. We can do this by you as a consignor offering your best open heifers, bred or bull, Sim Angus and embryos to this sale. With your commitment and the combined effort of breeders of Kentucky and surrounding states, we can make this a successful and positive event. Remember this event has been one of the best consignment sales of the year throughout the United States. The only way we can make it better is for you to keep offering your best.

Please send good quality pictures, hard copies if possible. Please if you do digital photos or you can email pictures (office@dpsalesllc.com), please put the tattoo number and name of animal as the file name it makes identifying the animal easier (when scanning pictures 300 outputs is required for quality purposes). Do not forget all animals in the show and sale event must be halter broke.

All Expo Cattle consigned to sale (in state and out-of-state) will be required to have 840 RFID tags in their ears prior to arrival at the Sale (**Please include the 840 tag number on the Health Certificate.**) Please call and visit with us regarding your possible consignments. All entries should be submitted to our office by December 12, 2018. Please send your information in promptly and correctly to insure that the catalog can be completed on time. If you wish to enter your consignment online go to parkelivestock.com/nomination forms (please send in your forms prior to sending photos) or use the attached nomination form (mark which sale) back to our office.
