

Kentucky Simmental Fall Sale
Saturday, September 10, 2022
Bluegrass Regional Marketplace – Lexington, KY

Sale Requirements:

- Sale Nomination fee of \$100/per lot. Nomination fee will not be returned for lots removed after the catalog is complete or animals removed from the sale by mgmt. or committee.
- All consignors must be KSA members. Dues will be deducted from check if not paid.
- Cattle must be registered with the ASA and must be ½ Simmental or higher. No pending ASA numbers. Non-registered commercial SimAngus are welcome. Please contact sale management.
- Cattle must be tattooed prior to arrival and need to be legible.
- Cattle must have an 840 EID tag. EID 840 number MUST be on the health paper with corresponding tattoo or lot number.
- All cattle must be tested for BVD-I and test negative within 30 days of the sale. All females should be calfhooed vaccinated.
- Bulls will be limited, no more than 5. No bulls under 1 year old unless aside a cow/calf pair. Bulls **must** be semen tested and required to have a good photo. Bulls 18 months or older must have a Trich test. Bulls will be required to have Genomic Enhanced EPDs. No scurs. No out of state bulls.
- Cattle are not required to be halter broke, but must have good disposition.
- No cows over 7 years old, unless approved by sale committee. No open cows unless calf at side.
- Cattle consigned should have a high quality, high resolution photo for catalog and marketing use.
- All breeding information should be provided to sale management including AI dates and pasture exposure date and sire.
- Cattle must be well presented upon arrival including being clipped and tagged. Ear tags will be provided to each consignor.

If above guideline are not met sale management and/or sale committee has the right to reject any sale lot that does not meet the standards of the sale.

To nominate your consignment please utilize the nomination form available on our website.
