Dear Simmental Breeders:

It is time again to get your consignment ready for the Virginia Simmental Spring Sensation Sale, to be held at the Rockingham County Fairgrounds, Harrisonburg, VA, during the Virginia Beef Expo. We are excited about the 2020 year and the upcoming VA State Association Sale on Thursday, April 16th, 2020 at 3:00 p.m. We look forward to working with past consignors and new consignors to this sale. Barbour Marketing Service has given us a time schedule for all our catalogs this year and so we need to have the entries in by the scheduled time to get the catalogs out. We also need the nomination forms filled out with all information. You can also go on-line and fill out a nomination form. Please have nomination forms in first and pictures can follow.

It certainly is an exciting time in the Simmental business and we as breeders have a lot to offer our customers. We have seen steady prices in our fall sales, with all indications that the coming spring will be even stronger.

The Simmental Sale in Virginia has always been one of the top sales, so consign your best. With this in mind we need to start looking ahead to the VA State Association Sale, and plan to make this event bigger and better. We can do this by you as consignors offering your best open heifers, bred, pairs, or bulls to this sale. Also, we welcome breeders with SimAngus pairs, bred, or opens. With your commitment and combined effort of Simmental breeders like you, we can make this a successful and positive event. We need to encourage all the Officers and the Virginia membership to be involved in this sale. Please note the following information for the upcoming sale:

- **Please log on ASA website and check your animal's genetic traittrac (free of all genetic defects).**
- We welcome all Virginia breeders, plus breeders from other States. We welcome new Consignors and Junior Members.
- If you consign a bull you must consign a female lot.
- Cattle are not required to be halter broke, cattle will be in pens.
