   - JSSC Wide Body 090W

   **Donated by:** Foster Brothers 806.983.7225, Jody Foster/Hoyt McInvale, 903.539.1576

   - This family is a standout for sure. Exclamation was Reserve cow calf at the AJSA Jr Nationals and the Simmental Breeders Sweepstakes in 2019. The competition was tough and she came to the front with different judges. This makes sense, her dam Exclamation 76X in 2011 claimed Reserve Grand at the Jr Nationals and the Champion bred and owned. 76X is also the dam of the many time champion, Wheelman and many other top animals just look up the cow card. The mating to Relentless will be a hit. Thanks to Fosters Bros. and the McInvale family for their support of the Sweepstakes.

   **Donated by:** C&C Farms 706.215.1251, Dwight Cooper

   - Here is another Sweepstakes favorite, Sheza Looker and her progeny are still gathering the purple and more importantly working in different operations. We encourage you to look up the extended pedigrees on both sides and you will see many ancestors with a Sweepstakes impact. At the Sweepstakes in 2008 Looker was Reserve Grand as a fall calf in 2008 Sweepstakes. In 2009 Looker was AJSA champion female and then in a couple weeks returned to the Sweepstakes and won Reserve Grand honors only beaten by her full sister, Sheza Bandit which also claimed Supreme honors. Added to the package is the multi champion, WLE Copacetic. Thanks to Dwight Cooper and their crew for the long time support.

   - HTP/SVF Duracell T52

   **Donated by:** Circle T Farm 615.819.6510, Buddy Ogles

   - The Time to Shine has been good to many top programs. Time to Shine has dominated with several outstanding progeny. This Steel Force donor has done well for Circle M. Circle T and Lundy Farms purchased Time to Shine 031B at the Circle M dispersal. The 031B is a half sister to the Time to Shine 99D. Time to Shine 99D winnings are Jr calf champion at the 2016 Sweepstakes, calf champion at Ft Worth, Supreme champion at the Sweepstakes, Grand champion at the North American open show and Reserve champion on the Jr show. 508D a daughter of 013B was reserve calf at Denver and Ft Worth. The embryos being donated are sired by Quantum Leap so the resulting progeny would be ¾ sibs to 99D and 508D. Never know the ending result you could have a Supreme champion as well.
**HFSC Foxy Lady HF6** x **THSF Lover Boy B33**

- **SIRE**: HTP/SVF Duracell T52
- **DAM**: Silveiras STyle 9303
- **Reference Dam**: Cherokee Steel Lady
- **Donated by**: Hillcrest Simmental

Foxy Lady as a cow calf pair will be at the Simmental Breeders Sweepstakes in Lebanon, Indiana. You will have the opportunity to view her in person. If you cannot attend call Gary to feel his excitement about this homozygous black donor. Foxy lady is one of the most dominant show heifers in the northeast in 2019 winning breed champion and supreme champion in 7 different states over 15 times. Lady’s grand dam is Lazy H Faith which made her way to the Sweepstakes. The embryos are sired by the Denver champion Lover Boy and no doubt will click with this Style Sim Angus donor. These special genetics are IVF sexed heifer embryos. See you at the Sweepstakes.

** CLRWR Lady Luck Y5105E** x **W/C Relentless 32C**

- **SIRE**: Yardley Utah Y361
- **DAM**: S A V Bismarck 5682
- **Reference Dam**: CLRWTR Joys Shades
- **Donated by**: ClearWater Simmentals

The Lady Luck and the Joy 5105R have dominated the program at Clearwater Farms. Many generations of this predictable cow family have many to major shows and done well. The bred outs of Lady Luck have made and continued to make happy customers. Everyone knows Lady Luck as Lucky. Lucky was Reserve champion at the Hoosier Beef Congress and was 6th overall at the AJSA National show. A full sister to Lucky was champion female at the Hoosier Beef Congress for the Jordan family. A son of Lucky, Slim Shady was division champion at the Sweepstakes and the North American. Lucky has had many top sellers in our Clear Choice bull and female sales. The embryos are sired by Relentless. Clearwater Farms is happy to donate to the Simmental Breeders Sweepstakes. Be online and bid.

**RAKC Miss In Dew Time** x **High Regard**

- **SIRE**: Yardley Impressive T371
- **DAM**: HTP SVF In Dew Time
- **Reference Dam**: BDK Miss Invasion
- **Donated by**: Vickland Show Cattle

We love good cows around our place in Colorado and here is one of our best. This In Dew Time donor is special and is a no miss cow. 35X is complete made, well balanced, smooth with super eye appeal. The most important a daughter JPV Miss Rose 34F was the 2020 Denver champion female for Hoffman Ranch. The embryos being donated are sired by High Regard and they will be half sibs to Denver champion. We are glad to be a small part of the Sweepstakes embryo auction and online fund raiser. We are donating embryos with purple potential.

**CMFM Tanqueray 727E** x **LLS Pays To Believe ZU194**

- **SIRE**: CNS Pays To Dream T759
- **DAM**: HPF Quantum Leap Z952
- **Reference Dam**: FBC Ms Tranqueray
- **Donated by**: Diamond J Farm

Here is a top female that has been shown by Morgan. She has had loads of fun and along the way won many titles and awards, being in the purple has not been one of problems just like her other family members. This outstanding female was bred in the Circle M program. You may remember her red baldie dam that was shown successfully. Tanqueray 727E is a young female with a bright future. Her first calf, MEJ Tanqueray 270G will be showing as Morgan’s bred and owned at the AJSA Jr Nationals in Brookings and then will be at the Simmental Breeders Sweepstakes. Come by our stalls and Morgan will pass on the success of this great female. There is no better way to support the Sweepstakes and add proven genetics.
Blessed is a young donor that we raised and are promoting in the BKC Cattle Co program. This red baldie was shown successfully and was liked by many breeders and show enthusiast. Blessed is stout all over being big boned, wide topped, sound structured with good muscle expression. Blessed is a Broker that will get the job done and pass on her power and overall look. The Tejas cattle are extremely good to look at and really complete. This SimAngus mating is one we believe will continue on and we are proud to have prefix attached to for future years to come. We always can’t make to the Sweepstakes however we glad to donate embryos for one of the great yearly events of the year. It was a top notch show last year hosted by the Simmental Breeders Sweepstakes.

AKA/A5X Red Rose Z670 x LLSF Pays To Believe ZU194

- As a young breeder and serving as 2019 2020 AJSA President we are glad to be involved in the Simmental Breeders Sweepstakes. We are donating embryos out of Red Rose Z670. The heifer I showed last would be full sibs to the embryos. Rosetta was named champion bred and owned purebred at the North Central and 10th overall at the Nationals. A full brother was named 3rd overall steer at the North Central Regional, top 10 at Jr Nationals and champion at the Land of Lincoln Simmental steer at Illinois State fair. The cow calf pair I showed in 2018 was champion bred and owned at the Nationals, Supreme at the Illinois state fair and champion purebred pair at the World Beef Expo. That pair would be maternal sibs to the embryos.

HPF Lotsa Love B422 x LCDR Favor 149F

- KD Simments and Shy 5 are happy to support the Breeders Sweepstakes. We invested in a great female HPF Lots of Love at last year’s Clearwater Clear Choice sale. This Milestone x Right to Love was the high seller and her half sister was second high seller. The footnote will not allow the length of the track record of Right to Love and Lots of Love. Look in sale and sale reports you will find at the top of the list. It is humbling and exciting to own at cow like Lots of Love. We probably should not be giving up her genetics however there is no better place to support the Simmental Breeders Sweepstakes. The embryos are sired by the Sugar son, LCDR Favor owned by Schooley Cattle Co. There are many elite cows in our breed however these genetics are two of the best. Donating two embryos. Be online at DP Sales or give us a call.
